Carver Brewing Cocktail Specials

Carvers Bloody Mary

Durango's finest, a legendary recipe.

The Magnificent Mimosa

Made with pure OJ and premium champagne.

The Razzmosa

Leave it to the Carvers crew to come up with a way to make Durango's best breakfast even better. Part OJ, part Carver's Raspberry Wheat Ale with a squeeze of lime and a splash of Chambord.

Always on Tap

Lightner Creek Lager An all-organic, all-malt, American-style premium lager. Smooth and highly quaffable, this beer is designed to satisfy both domestic beer drinkers and discriminating craft beer enthusiasts.

Old Oak Amber Ale A classic American Amber Ale. Smooth malt character balanced with a healthy dose of Cascade hops and aged on oak chips. This well-rounded ale is Carver's most popular beer.

Colorado Trail Nut Brown Ale The slightly roasted flavor and nutty palate with a hint of hops make this beer subtle and easy to drink.

Iron Horse Oatmeal Stout/Imperial Stout ♦♦ One of these beers is available all of the time. Carver's heartiest beers emphasize roasted malts and the generous use of hops. Creamy, smooth and always nitrogenated.

Cascade Canyon Cask IPA ♦♦ This heavily hopped, full-bodied IPA is cask-conditioned and served via traditional hand-pulled beer engine. Naturally carbonated and served at cellar temperature to emphasize expansive grapefruit esters and malt character.

Brewmaster Specials

The Brewer enjoys brewing seasonal beers – including various Pale Ales, Lagers, Fruit and Wheat Beers, even Barleywine. Carvers' beers currently on tap are listed on the wall.

Beer to go Growlers

Don't forget to pick up a growler (½ gallon jug) of your favorite brew. They are stocked in a cooler in the front of the restaurant. Remember, you don't win friends with salad.
